INDEPENDENT AUDITORS' REPORT

Ethan Allen Retirement Committee and Participants
The Ethan Allen Retirement Savings Plan:

We have audited the accompanying statements of net assets available for plan benefits of The Ethan Allen Retirement Savings Plan (the Plan) as of December 31, 2001 and 2000, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits as of December 31, 2001 and 2000 and the changes in net assets available for plan benefits of the plan for the year ended December 31, 2001 in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes at end of year, as of December 31, 2001 is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

THE ETHAN ALLEN
RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2001 and 2000

(1) PLAN DESCRIPTION

The Ethan Allen Retirement Savings Plan (the Plan) is a defined contribution savings plan sponsored and administered by Ethan Allen Interiors Inc. (the Company).

The following brief description is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

GENERAL

The Plan was formed effective July 1, 1994 through the merger of the Retirement Program of Ethan Allen Inc. (the Retirement Program) into the Ethan Allen 401(k) Employee Savings Plan (the 401(k) Plan). As a result of the merger on July 1, 1994, all participant investments in the Retirement Program (except for the Ethan Allen Interiors Inc. restricted stock which was transferred directly) were liquidated and the proceeds were transferred to the Plan, allocated to participants' accounts and invested, as directed, by each participant. On January 1, 1999, the name of the Plan was changed from The Ethan Allen Profit Sharing and 401(k) Retirement Plan to The Ethan Allen Retirement Savings Plan.

The Plan is offered to all employees who have completed at least three consecutive months of service with the Company. Effective January 1, 2001, the Plan was amended and restated. The amendments included extending eligibility to the employees of the newly acquired Dublin facility and the merger of the Carriage House 401(k) plan relating to the purchase of retail stores in Wisconsin. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS AND VESTING

Participants may contribute from 1% to 20% of their compensation (as defined in the Plan) up to a maximum tax deferred contribution of \$10,500 in 2001 and 2000 to the 401(k) portion of the Plan. Effective January 1, 2002, participants may contribute from 1% to 100% of their compensation up to the maximum allowable contribution. Effective January 1, 2000, the Company matches \$1.00 for \$1.00 on the first \$500 of before-tax contributions and then \$0.50 on the \$1.00 up to a \$1,000. The Company match follows the participants' investment choices as of the date paid. The maximum Company match is \$1,000 annually. Participants may, in addition, contribute amounts in excess of their tax deferred contribution on an after-tax basis in the amount of 1% to 20% of their compensation. The participant's tax-deferred contribution and after-tax contribution, in the aggregate, may not exceed 20% of their compensation.

Employer contributions, if any, to the profit sharing portion of the Plan on behalf of each participant are determined by the board of directors of the Company at the close of each fiscal year, although the maximum amount that can be contributed to a participant's account in any year is the lesser of (i) \$35,000 (or, if greater, 25% of the dollar limitation in effect under Section 415(b)(1)(A) of the Internal Revenue Code) or (ii) 25% of the participant's compensation for that Plan year, reduced by any other contributions on the participant's behalf to any other defined contribution plans of the Company. The actual contribution, if any, is made in the ensuing year. The Company declared no profit sharing contributions for the Plan in 2001 and 2000.

THE ETHAN ALLEN
RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2001 and 2000

Participants who are employed by the Company on the last day of the Plan year are entitled to receive the employer match contributions. Participant contributions, employer 401(k) contributions and profit sharing contributions are 100% vested immediately.

During 2001 and 2000, certain participants contributed \$49,878 and \$22,805, respectively, in excess of the allowable qualified contribution. The excess contribution amounts are reflected as a Plan liability at December 31, 2001 and 2000. The excess contributions were refunded in the subsequent year within the penalty free deadline.

INVESTMENT OF FUNDS

During 2001 and 2000, the amounts contributed to the Plan were invested in one of the following funds at the direction of the participants. A brief description of the funds is as follows:

AMERICAN CENTURY STABLE ASSET FUND -- The Stable Asset Fund invests in a diversified portfolio of high-quality investments issued by major financial institutions and in collateralized stable value vehicles, including guaranteed investment contracts. The fund is managed by SEI Trust Company and Dwight Asset Management Company.

All of the restricted shares are subject to proxies granted to Mr. Kathwari, the Chairman of the board of directors, President and Chief Executive Officer of the Company, which expire on the earlier of Mr. Kathwari's termination of employment with the Company or March 22, 2003, and 360,871 of these shares are restricted from being sold by the Plan, other than to the Company, in accordance with applicable securities laws. During 2001, the Company purchased approximately 40,834 of restricted shares at a market value of approximately \$1,427,819. Additionally, the Ethan Allen Restricted Stock Fund restricts participants from transferring their balances from this fund to other funds of the Plan. No such restrictions exist on investments in the Ethan Allen Unrestricted Stock Fund.

Ethan Allen Interiors Inc. common stock is publicly traded and had a readily ascertainable market value of \$40.68 and \$33.50 per share at December 31, 2001 and 2000, respectively.

LOANS

The Loan Fund is a noncontributory fund used to account for and administer loans to participants. Each participant may apply to JP Morgan / American Century, the recordkeeper, for a loan against the 401(k) portion of that participant's account. The maximum amount which may be borrowed by the participant is limited to the lesser of (a) \$50,000 or (b) 50% of the 401(k) portion of such participant's account at the time of such loan. The term of these loans generally shall not exceed the earlier of five years or such participant's termination of service, and in certain circumstances, greater than five years as defined in the Plan document.

Loans are processed by the recordkeeper upon approval of the application. The plan administrator has determined that loans shall bear interest equal to the Prime Rate as of the preceding month's close plus 1%. The Prime Rate during 2001 and 2000 ranged from 6.0% to 9.5% and 8.5% to 9.5%, respectively.

Notes to Financial Statements

PARTICIPANTS' ACCOUNTS

A separate account is maintained for each participant. Net investment income/(loss) is allocated daily to each participant's account on a proportional basis according to account balances so that each account bears its proportionate share of income or loss. Employer profit sharing contributions are allocated to each participant based on each participant's compensation to total compensation of all participants during the year. In 2001 and 2000, administrative expenses, other than certain transaction fees borne by the participants, were paid by the Plan sponsor.

DISTRIBUTIONS AND WITHDRAWALS

Participants may elect to receive their benefits when they reach 59-1/2, or when they leave the Company. The Plan also provides death benefits to the designated beneficiary of eligible participants. An employee may withdraw any or all of his after-tax 401(k) contribution and participant rollover contributions at any time; early withdrawal of before-tax and Company match 401(k) contributions may only be made by a participant upon attaining the age of 59-1/2 or because of serious financial hardship, subject to limitations. Distributions are usually made in cash. If your account includes shares of Company stock, a participant can elect to receive a distribution in cash or stock.

In no event shall distributions commence later than sixty days after the close of the Plan year in which the latest of the following events occurs: the participant's attainment of age 59-1/2; the tenth anniversary of the date on which the participant began participating in the Plan; or the participant's termination date. These provisions notwithstanding, participants who are no longer active employees must commence distributions from the Plan within a year of attaining the age of 70-1/2.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements have been prepared on the accrual basis of accounting.

VALUATION OF INVESTMENTS HELD IN TRUST

Under the terms of a trust agreement between Chase Manhattan Bank, N.A. (the Trustee) and the Company, the Trustee administers a trust fund on behalf of the Plan. The value of the investments and changes therein of this trust have been reported to the Plan by the Trustee, as determined through the use of quoted market prices, except for the guaranteed investment contracts, which are valued at contract value, which approximates fair value. These contracts are fully benefit responsive and are credited with actual earnings on the underlying investments and are charged for plan withdrawals and administration expenses charged by the issuer of the respective contracts. There are no reserves against the

contract value for credit risk of the contract issuer or otherwise. The crediting interest rates ranged from 5.96% to 7.00% for 2001. Purchases and sales of securities are recorded on a trade-date basis.

Loans to participants are valued at face value which approximates fair value.

NEW ACCOUNTING PRONOUNCEMENTS

In June 1998, the Financial Accounting Standards Board issued Statement of Financial Accounting Standard 133, "Accounting for Derivative Instruments and Hedging Activities" ("SFAS" 133). SFAS 133 requires that an entity recognize all derivatives as either assets or liabilities in the Statement of Net Assets Available for Plan Benefits and measure those instruments at fair value. The Plan adopted SFAS 133 in 2001 and the resulting adoption did not have a material impact on the Plan financial statements.

(4) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

(5) OBLIGATION FOR PLAN BENEFITS

Although the Plan is intended to be permanent, the Company expressly reserves the right to amend or terminate the Plan at any time. In the event that the Plan is terminated, participants are entitled to 100% of the current value of their vested account.

(6) PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by J.P. Morgan/ American Century. J.P. Morgan/ American Century is the recordkeeper as defined by the Plan, therefore, transactions involving these mutual funds qualify as party-in-interest transactions. Fees paid by the Plan for the investment management service amounted to \$44,638 for the year ended December 31, 2001.

(7) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(8) TAX STATUS

The Company has received a determination letter from the Internal Revenue Service dated May 21, 2002 stating that the Plan is a qualified plan under Section 401(a) of the Internal Revenue Code and the corresponding trust is exempt from income tax under Section 501(a) of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Company and legal counsel believes that the Plan continues to be administered in accordance with the applicable sections of the Internal Revenue Code.

(9) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Net assets available for plan benefits identified in the financial statements presented herein have not been reduced for participant benefits payable of \$279,531 and \$189,371 at December 31, 2001 and 2000, respectively. (10) SUBSEQUENT EVENTS

Effective as of January 1, 2002, the Plan increased its limits for participant after-tax contributions from 20% to 100%. In addition, effective April 1, 2002, the trading restrictions relating to the portion of Company profit sharing contributions invested in Ethan Allen Restricted stock were lifted.

On April 30, 2002, the Company announced it will close its Randolph, VT manufacturing facility, employing approximately 154 employees.
