ETHAN ALLEN UPDATES OUTLOOK FOR THIRD QUARTER ENDING MARCH 31, 2003

Danbury, CT. March 27, 2003 - Ethan Allen Interiors Inc. (NYSE: ETH) updates outlook for the third quarter ending March 31, 2003.

As indicated previously, the severe winter weather, weakness in consumer confidence, and consumer concerns over the war issues have impacted the company's results this quarter. The company currently expects relatively flat sales for the third quarter ending March 31, 2003, and earnings per share to be in the range of \$0.51 to \$0.53, before the impact of previously announced charges related to plant consolidations, compared to \$0.58 per share in the prior year quarter.

Chairman and CEO Farooq Kathwari commented, "We are gratified that despite difficult economic conditions, we have been able to maintain good earnings with operating margins in the 14% to 15% range. During the next few months, we plan to introduce two major new product programs. The "Tuscany" program will be marketed in April, and the Ethan Allen Kids program will be marketed in July. These two programs will continue to position Ethan Allen as a one-stop shopping resource reaching a larger consumer base."

The company will be reporting earnings for the quarter on April 22, 2003. The earnings conference call will be available on the company's "ethanallen.com" website under the "about us" tab.
