ITEM 1.01 Entry into a Material Definitive Agreement.

On March 25, 2011, Ethan Allen Interiors Inc. and its subsidiaries (collectively, “Ethan Allen” or the “Company”) amended its three-year senior secured asset-based revolving credit facility with J.P. Morgan Chase Bank N.A. and Wells Fargo Bank, National Association (the “Amended Facility”).

The Amended Facility provides revolving credit financing of up to \$50 million, subject to borrowing base availability, and includes a right for the Company to increase the total facility to \$100 million either with existing or additional lenders subject to certain conditions. The Amended Facility extends the expiration by approximately four years to March 25, 2016, or June 26, 2015 if the Company’s 5.375% long term bonds have not been refinanced.

At the Company’s option, revolving loans under the Amended Facility bear interest at an annual rate of either:

- (a) a London Interbank Offered (“LIBO”) rate plus 2.0% to 2.5%, based on the average availability, or
- (b) the higher of (i) a prime rate, (ii) the federal funds effective rate plus 0.50%, or (iii) a LIBO rate plus 1.0% plus, in each case, an additional 1.0% to 1.5%, based on average availability.

The Company will pay a commitment fee of 0.25% per annum on the unused portion of the Amended Facility and participation fees on issued letters of credit at an annual rate of 1.0% to 2.5%, based on the average availability and the letter of credit type.

If the average monthly availability is less than the greater of (i) 12.5% of the aggregate commitment and (ii) \$6.3 million, the Company is required to meet a fixed charge coverage ratio financial covenant which may not be less than 1 to 1 for any period of four consecutive fiscal quarters. Certain payments are restricted if the availability of the collateral supporting the facility falls below \$10 million or 20% of the facility size.
